

Welcome to Sandpoint Relay Runners,

We're very excited to host you in our beautiful small town! Summer time is one of the best times to travel to Sandpoint, and it is no secret, which is why we would like to encourage you to make reservations to stay at your earliest convenience. After the race, relax and take the town at your pace!

We are home to lots of local artisans (coffee roasters, breweries and winery), art galleries, unique shopping, creative cuisine and business owners throughout downtown Sandpoint. They all come together to create an atmosphere designed to showcase all that Sandpoint has to offer.

One of Sandpoint's largest events, The Festival at Sandpoint, a ten day music festival takes place August 7-17. Gracing the stage this year is Ray LaMontagne, Montgomery Gentry, The Head and the Heart, Huey Lewis and Trombone Shorty. This event makes lodging hard to get unless you plan ahead! This is one of many events happening during the summer and we want to make sure you are able to plan ahead for your trip! For lodging hotels, condos, cabins and waterfront vacation rentals, please visit www.VisitSandpoint.com for our partners.
